

CERTIFICATE OF COMPLIANCE
Application Instructions**NOTE:**

Md. Code Ann., Lab. & Empl. §9-201 requires an employer with one or more employees to carry workers' compensation insurance.

The purpose of this Certificate of Compliance is to identify those employers that are not required to carry workers' compensation insurance coverage and to enable that employer to apply for, and obtain, a license or permit from a government agency that requires proof of workers' compensation insurance coverage. **A Certificate of Compliance is not workers' compensation insurance and is not binding on the Workers' Compensation Commission under any circumstances.**

Before a governmental unit may issue a license or permit to an employer to engage in an activity in which the employer might employ a covered employee, the employer shall submit to the governmental unit:

- (1) a certificate of compliance with this title; or
- (2) the number of a workers' compensation insurance policy or binder.

If an employer is not covered by a workers' compensation insurance policy, an application to secure a Certificate of Compliance must be submitted to the Worker's Compensation Commission pursuant to Labor & Employment Article §9-105.

Eligibility:

An employer may secure a Certificate of Compliance in the name of the employer, only if the employer is an entity set forth in Labor and Employment Article, §9-206(b)(1) – (b)(5) with no covered employees other than Corporate officers or limited liability company members who have elected to be exempt from workers' compensation coverage.

Sole Proprietors, Partners and Individuals who are owner/operators of a Class F Vehicle, and are not employers, are not eligible to receive a Certificate of Compliance. For the above business types, a letter of exemption will be supplied that can be submitted to the licensing agency.
